

Property Manager Portal

LuxInterventions · Quick guide — 2 minutes

Your job requests in 30 seconds, from your phone or computer. Our team is alerted immediately. The portal comes in **6 languages** (FR · DE · EN · IT · PT · ES): choose yours on the sign-in screen or under **More**.

1

Activate your access

- Open the **personal link** you received by email or WhatsApp.
- Choose your password **only once**.
- After that: **email + password**, on any device.

2

Add your residences

- **Residences** menu → **Add**.
- Address, door code, keys, on-site contact.
- **Only once**: reused with every request.

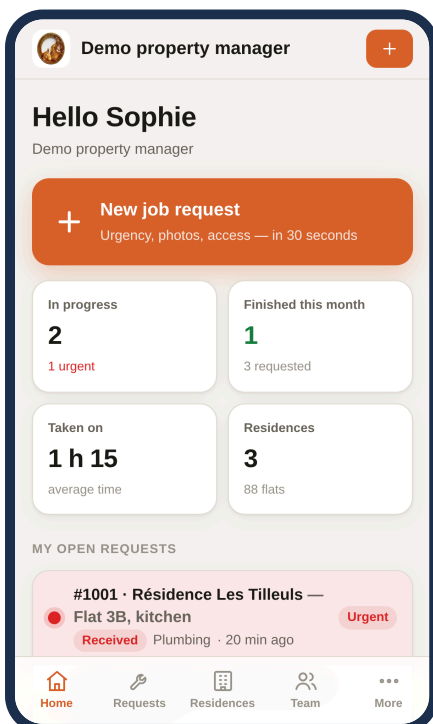

3

Send a request

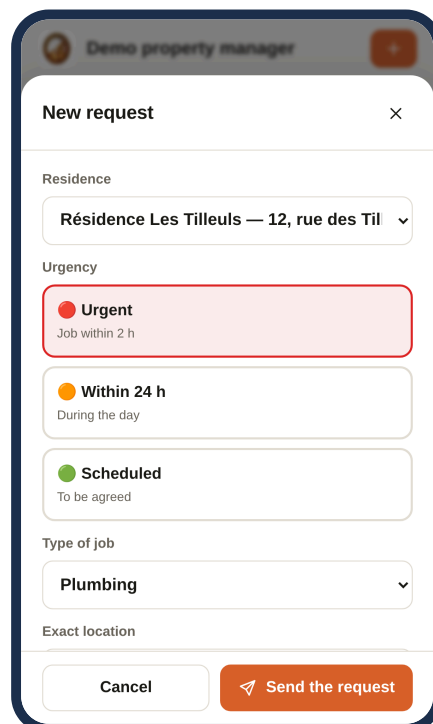

- Orange **New request** button.
- Residence, **urgency**, type, location, description.
- Add **photos** → **Send the request**.

Choose the urgency

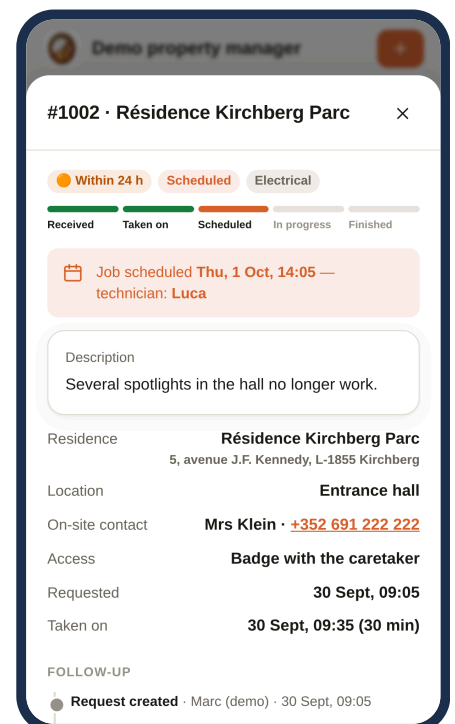

-  **Urgent** job within 2 h (leak, breakdown, danger)
-  **Within 24 h** during the day
-  **Scheduled** to be agreed

Messages and photos

At the bottom of each request: write to us or add a photo. Everything stays in the history.

Good to know

- **Install the app:** iPhone → Share → “Add to Home Screen”. Android → menu ⋮ → “Install app”.
- **Notifications:** **Enable** button on the home page (on iPhone: after installing).
- **Colleagues:** lead contacts invite their team under **Team** — everyone gets their own access.
- **Monthly report:** **More** → **Monthly report** (PDF).
- **Forgot your password:** ask your lead contact or us for a new link.
